You have been scheduled for an appointment with our medical practice.

Should you be scheduled for both a vascular ultrasound study and a physician visit, you may be in our office for up to four (4) hours. **If**, you are not scheduled for an ultrasound, please plan to be in our office for up to two (2) hours. Feel free to bring a snack and/or reading material to help make the wait time more comfortable. There is also a cafe on the first floor lobby of our building.

**Just a reminder:**

Please bring all medical items you may need during your office visit, including any diabetic medication, oxygen, ect.

Please note that should you require surgery, a scheduling coordinator will meet with you after your office consultation.

**Please Bring:**

**Insurance cards · Picture identification · Co Pay or payment for your appointment · List of medications and dosages**

Your scheduler will notify you of any special requirements for your appointment.

IF your Vascular Ultrasound study requires you to fast from midnight until your appointment this means nothing to eat or drink (except minimal water), **NO COFFEE**.

You may take medication in the morning if necessary.

**ARRIVAL TIME:** Unless you have completed the patient registration forms online, please plan to arrive 30 minutes prior to your appointment time.

Please give 24 hours notice if unable to keep your scheduled appointment time.

Please call our office at 541-282-6680 if you have any questions.
